ORDERING INFORMATION:

Shipping and Handling

We provide Prepaid 2-Day Express Shipping Labels for shipping cases to our lab. Simply place the label on the provided Case Shipper Box and ship as you normally do. Completed cases are sent back to you via 2-Day Air (FedEx or UPS) for a flat rate charge of \$7.50. Next Day Air service is available for an additional fee.

Turnaround Times

Please allow 2 days for your case to ship to the lab, 5-7 business days for us to process your case (not including the day it is received), and 2 days for your completed case to be shipped back to you. Please do not include weekends or holidays when calculating turnaround time.

Model Fee

If you ship an impression, a \$4.95 charge will be applied for a poured up model in stone or plaster.

Appliance Warranty

All of our appliances carry a 90-day warranty against defects in material or workmanship. If you encounter a problem, please return the appliance, original construction model(s), setup and wax bite (if applicable), along with a current model(s). Appliances will be repaired or replaced at the discretion of the laboratory. This warranty does not cover patient abuse or lost appliances.

Billing and Payment

All orders are accepted on a basis of payment terms pre-approved by DENTSPLY in advance of shipment of the order. An invoice or packing slip is enclosed with each shipment. Master Card, Visa, and American Express are accepted. For all orders, applicable local sales tax will be added to the order total after the order is submitted. You will not be charged until your order has shipped.

Order Minimum

A \$10.00 minimum charge applies to all work processed by our laboratory.

Terms and Conditions

We upgrade the quality and design of our products on a continuing basis, and because of this, we reserve the right to improve, modify, or discontinue products at any time, or to change specifications, terms, conditions or prices without notice.
